**Kasteel Construction and Coatings Inc.** is a Northern owned and operated company located in Yellowknife, Northwest Territories. Our purpose: To serve our team members and our Northern communities with compassion, thoughtfulness and caring acts while working to deliver superior construction and coating projects. We are dedicated to our clients and employees through our transparent commitment to do things differently. Our directive is to provide every client, employee, and subcontractor with exceptional honesty and fairness. Kasteel prides itself on building strong, long-term relationships which are driven by trust and repeat performance.

Due to our rapidly expanding business, we currently have an opening in Yellowknife for a full-time: **Spray Foam Technician.**

**Job summary:** Our company is seeking a highly skilled professional Spray Foam Technician to work in Yellowknife. Are you someone who can work in an extremely fast paced environment with minimal supervision? We need people who love thinking outside the box and impressing clients with their quality of work by showcasing their skills. The ideal candidate will be willing to travel as job sites include Yellowknife, surrounding areas and various mines sites. Spray Foam Technicians perform many physical tasks, to do well in this role you need to be physically fit, energetic, reliable, and be a hard worker.

**Qualifications:**

- Experience with 2lb polyurethane foam and ideally other coatings.
- Minimum 2 years experience with spray foam insulation applications.
- Have proficient spraying knowledge to ensure necessary equipment, safety gear, tools, paperwork, and supplies are present and ready for the project before the project begins.
- Certifications: Caliber, UFC, or equivalent is an asset.
- Knowledge of equipment and diagnostics.
- Experience in Foam Jacking is an asset.
- Experience in Spray coating is an asset.
- Experience with carpentry is an asset.
- Must be able to obtain medical clearance, criminal record, and FA2 Clearance.
- Applicant must be fully vaccinated for Covid due to constraints within many job sites.
- Must have reliable transportation, a valid driver's license and a clean driver's abstract.
- Local applicants only or must be willing to relocate.

**Duties and Responsibilities:**

- Survey the jobsite and take steps to prevent and protect against overspray. This includes premises and vehicles parked near spray areas.
- Apply spray foam products to indoor and outdoor applications.
- Perform maintenance and repairs on coating and foam systems along with ability to diagnose problems and errors during use of systems.
- Review your completed work to ensure that there will be no callback's.
- Uphold and protect the high-quality standards of Kasteel ensuring that all work performed meets or exceeds these standards.
- Responsible and accountable for working with team members to complete spray foam jobs and other necessary work as directed by the Spray Coating Superintendent.
- Familiarize yourself with the project's scope of work and prepare accordingly for the project by ensuring necessary equipment, safety gear, tools, paperwork, and supplies are available.

- Maintain a high standard of clean-up before leaving any jobsite. Being sure that all necessary touch-up work and clean-up is completed before leaving the jobsite.
- Survey jobsite before leaving to ensure that all company tools and equipment are picked up, returned to the truck, and cleaned up for the next use.
- Willing to work overtime as required and on weekends if needed.

**Please note that our roles require the ability to successfully obtain security and medical clearances, therefore candidates must be able to meet drug and alcohol policy requirements as well as meet background screening requirements.**

**Job Safety is #1** - Kasteel is COR certified and we follow a comprehensive safety program to reduce risk and maximize performance. All employees are required to complete orientations to become accustomed with the site safety culture, specific hazards and detailed safety plans. Commitment to safety compliance must be 100%.

Kasteel believes in treating employees with dignity and respect, we offer a competitive wage plus a benefit plan while allowing you to grow with our company. Please forward your resume, cover letter and salary expectations to: [careers@kasteel.ca](mailto:careers@kasteel.ca).

We truly appreciate all applications and thank you for considering joining our team at Kasteel.
